LEGAL NOTES.

- 1.—The law holds no man responsible for inevitable accidents or acts of God.
- 2.—The law does not require a man to do impossibilities.
- 3.—Money paid with full knowledge of the facts is not recoverable, but money paid under a mistake of fact is usually recoverable.
- 4.—Money paid under a mistake of law is not recoverable, because every man is presumed to know the law and cannot plead ignorance of it.
- 5.—Wrong suffered by consent is not a cause of action.
- 6.—Delay in proceeding to enforce one's legal rights is often fatal, and debts are irrecoverable after six years.
- 7.—An employer or principal is responsible for the acts of his servants and agents where the act was done by his command or for his benefit.
- 8.—Always get writing in every transaction where possible.
- 9.—Signatures in lead pencil are good in law.
- 10.—An offer or option, unless given for value, can be revoked at any time before acceptance.
- 11.—An offer can only be accepted so as to make a binding contract by an absolute acceptance which does not import any new term.
- 12.—In commercial transactions communication by post is generally regarded as authorised. Where authorised an acceptance by letter is completed by posting.

- 13.—All contracts, unless under seal, require a consideration.
- 14.—Contracts to do illegal acts are unenforceable.
- 15.—Contracts with a married woman are only enforceable against her separate property.
- 16.—A husband is not liable for his wife's contracts unless for the necessities of life or unless he has authorised her to pledge his credit.
- 17.—Contracts with a corporation should be under seal.
- 18.—All written contracts, except for the sale of goods require to be stamped.
- 19.—All bills and promissory notes must be stamped before execution. Unless payable on demand the stamp must be impressed, otherwise it may be adhesive.
- 20.—A bill or note may be ante-dated or post-dated, and if overdue bears interest at 5 per cent.
- 21.—A debt cannot be discharged by payment of a smaller amount in satisfaction even though the creditor accepts payment.
- 22.—The law requires a tender to be made in cash and to be unconditional. A receipt cannot be demanded.
- 23.—In formal legal documents "month" means lunar month, but in commercial documents "month" will generally be construed as calendar month.

Transfers must be executed between 11 and 2, but can, under exceptional circumstances be accepted between 9.30 and 3 (9.30 and 12 on Saturday); they can be made on Saturday between 11 and 12 on payment of a fee of 2s. 6d. Transfers of Bank Stock are charged £1 any amount. Bank Stock Transfer Books are closed for about one month before the payment of each dividend.

MARRIAGE LICENCES.

SPECIAL MARRIAGE LICENCES.

Special Licences are granted by the Archbishop of Canterbury, through the Faculty Office, Doctors' Commons. The Fees payable for licence, stamp, &c., are about £25.

Marriage Licences may be procured in London at the Faculty Office, at the Vicar-General's Office, and at the Bishop of London's Registry in Doctors' Commons, between 10 and 4, by one of the contracting parties: in the Country, at the Bishop's Registrar's Offices, but these only allow the parties to be married in the diocese in which they are issued; those procured at the Faculty Office, or at the Vicar-General's Office, can be made out for any part of the Country. No instructions can be received except from one of the parties. Affidavits are prepared from the special instructions of one of the parties about to be married, and the licence is delivered to the party upon payment of fees amounting to about thirty shillings, which, with the cost of stamps, makes the entire cost about £2 2s. 6d. In order to avoid fraud, it is enacted that "before any licence be granted, one of the parties shall make a declara-

tion on oath, that there is no legal impediment to the intended marriage, and also that one of such parties hath had his or her usual place of abode for the space of 15 days immediately preceding the issuing of the licence, within the boundary assigned to the parish church, or the district parish in the church of which the marriage is to be solemnised."

MARRIAGE BY BANNES.

If the contracting parties reside in different parishes or districts, the publication must be made in the churches of each district or parish for three consecutive Sundays, and the marriage must take place in one of the churches wherein the Banns have been published within three months of the third time of publication, or the Banns become void, and have to be republished before a marriage can be solemnised.

Marriages can be so solemnised in places of worship belonging to other denominations than the Church of England, when the building has been duly licensed for the purpose.

Civil Marriages can be performed before a duly licensed Registrar. Particulars of such can be obtained at all Registry Offices.

REGISTRATION OF BIRTHS AND DEATHS.

BIRTHS.

By an Act passed in 1874, it is enacted that parents must register every birth within 42 days of the date thereof, at the Registrar's Office for the District in which they reside. In default the Registrar is empowered to compel their attendance at his Office and to charge extra fees.

DEATHS.

Deaths must be registered within five days, unless notice with medical certificate has been sent to the Registrar. The nearest relatives of the deceased, present at death, are liable to a penalty for neglect of this regulation.
